

Documentation: Login Microsoft azure students with 100\$ credit.

STEPS

To log in to Microsoft Azure as a student and claim your \$100 credit, follow these steps:

1. Visit the Azure for Students Page:
Go to the Azure for Students page.
2. Sign Up for Azure for Students:
Click on the "Start free" button to begin the sign-up process.
3. Sign In with Microsoft Account:
 - If you already have a Microsoft account, click "Sign in" and enter your credentials.
 - If you don't have a Microsoft account, click "Create one!" and follow the prompts to create a new account.
4. Verify Academic Status:
 - You will need to verify your student status. Enter your academic institution email address to receive a verification code.
 - Check your academic email for the verification code and enter it on the Azure sign-up page.
5. Provide Personal Information:
Fill out the required personal information, including your name, country, and contact details.
6. Agree to Terms:
Read and accept the Microsoft Azure subscription agreement and the offer details.
7. Complete Sign-Up:
 - Click the "Sign up" button to complete the process.
 - You might be asked to verify your identity with a phone number.
Enter your phone number and the code sent via SMS.
8. Access Your Azure Portal:
Once your account is set up, you will be redirected to the Azure portal where you can start using your \$100 credit.

9. Explore Azure Services:

- Navigate through the Azure portal to explore the various services and tools available.
- You can start deploying resources, creating virtual machines, and using other Azure services.

10. Monitor Your Credits:

Keep an eye on your credit usage to ensure you do not exceed the \$100 limit. You can find this information in the Azure portal under the "Cost Management + Billing" section.
